Postdoctoral Research Associate · NYU VIDA

📍 Brooklyn, NY, USA 📞 +1 917-914-4023 ✉ christos.koutras@nyu.edu 🌐 ckoutras.github.io 🐙 chrisk21

Postdoctoral researcher at NYU VIDA building data integration solutions for practitioners. Work spans data matching at the schema and value levels, metadata generation, and the composite harmonization workflows that bring these together.

Research Interests Data Integration · Schema & Data Matching · Metadata Generation · AI for Data Harmonization

Languages Greek (native) · English (C2 CPE, U. Michigan) · German (B1, Goethe Institut)

EDUCATION

PhD, Computer Science

2018 – 2024

Delft University of Technology (TU Delft), Netherlands

Research: *Tabular Schema Matching for Modern Settings*.

Supervisors: Asterios Katsifodimos, Christoph Lofi, Geert-Jan Houben.

MPhil, Computer Science

2016 – 2018

Hong Kong University of Science & Technology (HKUST), Hong Kong

Thesis: *Query Estimation Structures in Geo-Social Networks*.

Supervisor: Dimitris Papadias. GPA: 3.94 / 4.

Diploma (M.Eng), Electrical & Computer Engineering

2009 – 2015

National Technical University of Athens (NTUA), Greece

Major: Computer Science. GPA: 8.24 / 10.

Thesis: *Monitoring Continuous k-Nearest Neighbor Queries Over Moving Uncertain Objects*.

Supervisors: Kostas Patroumpas, Yannis Vasileiou.

EXPERIENCE

Postdoctoral Research Associate

Nov 2024 – Present

New York University · VIDA Research Center, Brooklyn, NY

Visualization and Data Analytics Research Center, Tandon School of Engineering.

Applied Scientist Intern

Dec 2023 – Mar 2024

Amazon Web Services, SF Bay Area, USA

Optimized LLM-usage in data wrangling pipelines.

Applied Scientist Intern

Apr – Jul 2022

Amazon Web Services · GraphML team, SF Bay Area, USA

Self-supervised join discovery among tabular data.

Visiting Student

Jul – Aug 2017

Oxford University, United Kingdom

Query optimization with access patterns under integrity constraints, with George Konstantinidis.

TEACHING

Course Section Leader · DS-GA 3001 Data Engineering

Jan – Apr 2026

New York University, Manhattan, NY

Organizing and delivering the course's lab sessions.

Course Coordinator · CSE1500 Web & Database Technology

Nov – Dec, 2018 – 2023

Delft University of Technology, Netherlands

Organized DB lab sessions, taught tutorials, designed database assignments.

Course Coordinator · CSE1505 Information & Data Management

Feb – Apr, 2018 – 2023

Delft University of Technology, Netherlands

Organized labs and tutorials; designed and graded lab assignments and exam tasks.

Teaching Assistant · COMP 3311 Database Management Systems

Feb – May 2018

Hong Kong University of Science & Technology, Hong Kong

Tutorials on functional dependencies, normalization, memory hierarchy, indexing & hashing, join algorithms, query processing and optimization.

Designed and graded assignments on greedy algorithms, dynamic programming, minimum spanning trees, shortest path algorithms.

Tutorials on ER diagrams, relational data model, relational algebra, SQL, functional dependencies and normalization.

PROJECTS

Valentine

ICDE 2021; VLDB Demo 2021

Open-source library and benchmark for schema matching on tabular data. Core maintainer of the `valentine` Python package.

OmniMatch

VLDB 2025

Joinability discovery in data products via graph neural networks; developed during an AWS internship.

BDI-Kit

Patterns; SIGMOD Demo 2026

Toolkit pairing classical matchers with LLM-driven workflows for biomedical data harmonization.

BDIViz

VIS 2025; SIGMOD Demo 2026

Interactive visualization system for schema matching verification with LLM-powered validation.

AWARDS & CERTIFICATIONS

VLDB Distinguished Reviewer Award

2026

Acknowledges outstanding service and thorough peer-review contributions by program committee members.

IEEE ICDE Distinguished PC Award

2026

Awarded to PC Committee members for outstanding contributions in reviewing and discussions.

University Teaching Qualification (UTQ)

2023

Certifies the didactic competences of lecturers in academic education across the Netherlands. Recognized by all fourteen Dutch universities.
